CALLING LAKE

M.D. Community Hall

Oct. 26, 2026 – Oct 30, 2026.

Our goal is to ensure that candidates selected are sufficiently screened and possess the appropriate knowledge and skills to be effective in their employment as a **Type 1 Firetack Member.**

Learn to fight fires safely and aggressively.

- Wildland Firefighting – Fire-tack Crew Member is an 5-day training program
- A Fire-tack crew member's main duties are sustained action fire containment and initial attack fire suppression. This program consists of lectures and field training using the techniques and standards set by Alberta Environment and Sustainable Resource Development.

Admission Requirements

Grade 9 academic level.
Must be in excellent physical health.
Prior firefighting experience is an asset.

Career Potential

Certified Wildland Firefighters work directly with the Alberta Environment and Sustainable Resource Development in a variety of fire suppression activities.
